

**III. REMARKS:**

The Applicant, after review of the Examiner's restriction requirement, hereby elects for further prosecution in the present application the invention of Group I, claims 1-43, without traverse and withdraws claims 46 and 47 from further consideration.

In view of the examiner's restriction requirement and previously canceled claims, the applicant asserts the right to present claims 46 and 47 in a subsequent continuation application, if desired. Applicant notes that claim status indications of "withdrawn" in parentheses indicate that the referenced claim is being withdrawn without prejudice in response to a restriction requirement.

**CONCLUSION**

The applicant has elected Group I, drawn to claims 1-43 for examination. The applicant respectfully requests examination of such claims and an allowance is requested at the examiner's earliest convenience.

Dated this 29th day of November, 2004.

Respectfully Submitted,  
SANTANGELO Law Offices, P.C.
